

ITF Seniors Tennis Tournament (22nd – 27th March, 2021)

OBJECTIVE:

To make students learning about special and common injuries in sports people during the match specially in tennis matches and their management.

DESCRIPTION:

ITF Seniors tennis tournament held at DLTA (Delhi Lawn Tennis Association), Africa, New Delhi from 22-27 March 2021

BCIP posted two final year students Ms. Radha Sharma and Mr. Imran Nayeem to the “ITF Seniors tennis tournament held at DLTA (Delhi Lawn Tennis Association), Africa, New Delhi from 22-27 March, 2021 as Tournament Physiotherapist.

There these two students had a great experience and wonderful learning on on-field and off field sports injuries and their management, they had been working with the senior’s category which helped them in learning about, what are the special and common injuries these people had during the match specially in tennis matches and at what areas they have to work on, mainly to increase the performance and to prevent the injuries, it was the great learning during the whole 6 days tournament.

At the end of the tournament finalist, players and all supporting staff praise the services provided by BCIP students and they are looking forward for future collaboration for upcoming events.
