

Run For Women Power, Marathon (7th March, 2021)

OBJECTIVE

To provide the students with on-field and off-field experience of sports injuries and management.

DESCRIPTION:

Run for Women power held at JNS Stadium, New Delhi on 7th March 2021, Event organize by Dr. Sunita Godara, she is Asian marathon champion in 1992 and the guest of honor of this event is Shree Deepankar Shree Gyan, he is director in ministry of culture, Govt of India

BCIP posted final year students to the “Run for Women power, Marathon held at JNS Stadium, New Delhi on 7th March 2021 as Event Physiotherapist.

There our students had a great experience and wonderful learning on on-field and off field sports injuries and their management, in this event more than five hundred participants take participation. Our students had been working with the National and International participants which helped them in learning about, what are the special and common injuries these people had during the marathons and at what areas they have to work on. Our students Assess and treat various running related injuries there.

At the end of the Event Organizers and participants praise the physiotherapy services provided by BCIP and also, they are looking forward for future collaboration for such upcoming events
