Quiz Competition

(15th September 2023)

Objective: The main goal the Quiz Competition is to addressing the medical, physiotherapeutic, and nutritional aspects of forms of inflammatory arthritis is to improve the overall well-being and quality of life for individuals living with Inflammatory Arthritis.

Description:

The Quiz Competition 2023, an inter-batch competition organized on September 15th, 2023, was a delightful celebration of World Physiotherapy Day. Theme for this Quiz competition was "Inflammatory Arthritis". Students of the Bachelor of Physiotherapy (BPT) program and Masters of Physiotherapy (MPT) program enthusiastically participated in this event. This quiz competition is a testament to the importance of knowledge and education in shaping our global future. Participants are tested not only on their knowledge of global affairs but also on their ability to think critically, solve problems, and communicate effectively.

The event commenced at 12:00 PM, In conclusion, the Quiz Competition celebrated on the occasion of the G20 summit is a testament to the power of knowledge and global cooperation. It brings together individuals from diverse backgrounds to celebrate their intellect, test their knowledge, and promote a deeper understanding of the particular subject matter. It underscores the idea that in an interconnected world, it is not just economic but also intellectual powers that can drive positive change and create a brighter future for all.

The event's success was attributed to the hard work and dedication of the participating students and the organizing committee.
