**Content of the Seminar:**

This event was especially for the final year and third-year students of Bachelor of Physiotherapy to give future guidance to them as it is the right time for them to make decisions about their future and in the main who want to go abroad for their position of employment.

The event was started with the introduction of the speaker, Mrs. Poonam Bhasin Sahnan. The speaker was interactive to every student and everyone was very attentive. Mam started the session with a very interesting activity and gave a brief introduction about physiotherapy in a very effective way. To add to this, one of the students also shared their view about physiotherapy then. After that, Mam shared valuable information about working and job opportunities in different countries. she also informed the students about the countries that have a good scope for physiotherapy. Being the certified international study advisor, she has also guided the students about how they can build their profiles for Ivy League colleges and universities. The event was very informative and also essential for the upcoming physiotherapist who wants their future in a different country.

Later on, Ms. Poonam shared the information about the PCE exam with its syllabus. Students shared their thoughts with the speaker. After that, Mam has clarified the doubts of students related to the topic. The seminar was concluded after delivering the vote of thanks. The seminar was successful and very well appreciated.
