## **Skit on Polio Awareness on 25<sup>th</sup> January 2024**

**Objective** – The primary objective of such program is a commendable initiative to educate the community about the importance of polio vaccination, its prevention, and the global efforts to eradicate this disease.

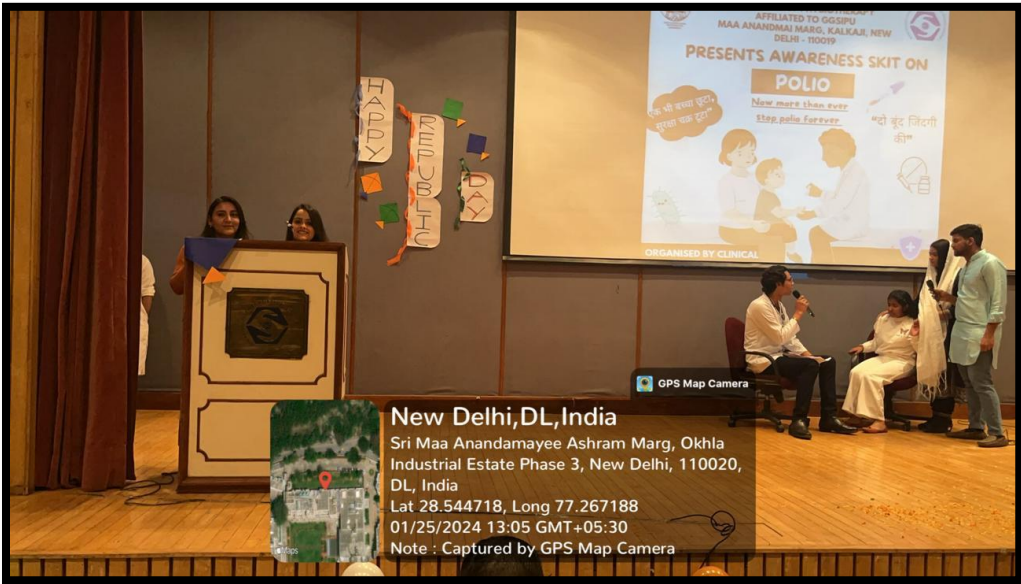

**Date** – 25<sup>th</sup> January 2024

Banarsidas Chandiwala Institute of Physiotherapy has organized skit on awareness of polio vaccination at community level on 25th January 2024 at BCIP auditorium. This could include raising awareness about the importance of polio vaccination, dispelling myths and misconceptions, and encouraging community members to get vaccinated. Skit also emphasized to Identify target audience, such as parents, healthcare professionals, community leaders, and educators. Creating a polio awareness program is crucial to educate communities about the importance of polio vaccination and to encourage participation in immunization campaigns. Remember, the success of a polio awareness program depends on community engagement, collaboration, and a sustained commitment to vaccination efforts.
