

Mock Interview on 01.02.2020

BCIP organized a mock interview program on 1.2.2020, Saturday for its final year students of batch 2016. The session was chaired by Dr Sumit Kalra, HOD, Max Hospital patparganj.

The session started with introductory speech about the essential components practically assessed by hospital interview team in a probable candidate. Group discussion about the important requirements while applying for a job related to presentation, attire, attitude, communication skills and subject knowledge were shared by Dr Sumit.

All BPT students of 2016 batch realized the essentiality of personality

traits & communication skills in the situations of interview. Students were explained about the requirements in curriculum vitae and resume and what companies expect out in interviews. The activity concluded with felicitation of the speakers and vote of thanks from Dr Nidhi kalra.
