Quiz Competition on World Health Day- 5th April 2024

General

The quiz competition was organised at Banarsidas Chandiwala Institute of Physiotherapy on 5th April 2024. A details of quiz competition was shared on social media platforms of BCIP.

Objective

In commemoration of World Health Day, the clinical club organized a quiz competition to raise awareness about global health issues and promote a culture of health and well-being among the students and faculty. The event aimed to engage participants in a fun and educational activity that encouraged them to learn more about various health-related topics.

Quiz Competition content

Quiz Competition was focused on following ideas

General Health and wellness - This round included questions about basic health and wellness, nutrition, exercise, and mental health.

Global Health issues- Questions in this round focused on global health challenges such as infectious diseases, maternal and child health, non-communicable diseases, and health disparities

Conclusion

At the end of the quiz competition, prizes were awarded to the top three teams based on their scores. The winners received certificates of achievement.
